TIMELINE We will work with your time line to deliver your invitations in a timely manner. Most custom-designed orders require 6-8 weeks (consultation to delivery) depending on the production process, accessories delivery and assembly schedule. Ready-made designs can have a much faster turn-around but will also depend on the accessories shipment schedule. Hand delivery is always free of charge for our clients in the local Atlanta/Chattanooga area. Charges for shipping outside of the delivery area will be added to your total.

Estimated Timeline...	Recommended mailing date for Invitations	6/20/18
	Online proof approval, non-refundable deposit due	February 5, 2018
	Begin design process, proofing/revisions	COMPLETE
	Production, assembly, addressing	February/March 2018
	Balance due prior to or on delivery*	April 16, 2018
	Estimated Delivery of finished Invitation Suites	April 16, 2018

PROOFING NOTES Clients are emailed an online proof for review prior to production. You will receive a high resolution PDF or JPG file via email. Before completing your online proof approval process, please be sure to review your invitation wording carefully, paying special attention to punctuation and capitalization. Another set of eyes is always helpful, so feel free to share your proof with a friend for review as well. The remaining balance will be due upon proof approval, leaving only any applicable postage overage due prior to delivery.

Colors may vary slightly from screen to print as online PDF or JPG proofs are shown on your RGB (red/green/blue) screen and prints are professionally produced in CMYK (cyan/magenta/yellow/black) on a digital press.

Due to the customized nature of our items, refunds are not accepted. If there is an issue with your digital proof file, please contact us immediately so that your file can be revised and a new proof sent. It is the client's responsibility to review the files emailed prior to printing and online proof approval is REQUIRED before invitations will be produced.

ASSEMBLY Optional full-service assembly and guest delivery envelope addressing are two services that set Paper Made Lovely apart from the rest.

- You have opted for full professional assembly of your mounted pieces (panel pocket, laser mat and invitation card)
- Your RSVP cards and envelopes will remain separate (not placed in the pocket) so you may hand-write the number of seats reserved and apply postage stamp
- Details cards will be placed in the pocket

POSTAGE Standard postage application as well as custom designed postage options are also available upon request. If applicable, postage charges for your invitation suites have been estimated in this pricing quote. Should additional postage be required after the final assembled piece is weighed by the USPS and accurate postage is calculated, the difference will be added to your final balance due prior to delivery. If postage is purchased through Paper Made Lovely, your invitation suites will arrive fully assembled, sealed, and ready for mailing. If you need to hand-write information on your RSVP cards, please be sure to discuss this with your designer so that envelopes may remain unsealed.

PAYMENT You will receive an online payment invoice for all deposits and balance amounts due as outlined in the schedule above. *Balance may be paid via online payment prior to delivery or via cash or check (made to Paper Made Lovely) on delivery.
